

# REAL *PIN SLAMMIN'* ACTION

The lanes are crowded every night with Big Time Pin Slammin' action! You call the shots selecting a right or left handed bowler. Determine ball weight, and develop the skills of the pro's as you skillfully throw a variety of shots that you control! Choose from 3 separate modes of play, "Regulation", Flash!, or "Strike 90". Bowl with 1 to 4 players, or for really fast paced action, use the exclusive Neo Geo "Multi Link" cable for twice the view of these polished lanes.

The real voice stereo sound of "Mr. Bowl" and the "Pin Brothers" will have you laughing all night long with more fun than the real lanes! So pop some refreshments and settle into 26 megs of indoor sport like you've never seen before!
