

# PLEASE HELP US!

Once upon a time, the god of the sun built a huge wall in the center of the "man's village" and the "woman's village" where they had been fighting for a long, long time.

This caused even more trouble, in that the tower blocked all the sunlight to both villages. Rad and Am were sent to travel up the tower of sun full of various falling blocks.

Capable of 2 player simultaneous, drop-in play!
