

"Operation Delta Storm" is underway!! Rescue the hostages from the terrorist group "Bloody Scorpion"!!

The terrorist group "Bloody Scorpion," which carries out its maneuvers secretly behind the scenes on the world stage, has kidnapped Doctor George, discoverer of the highly hypnotic and personality-altering drug "a301," and his granddaughter Cecilia.

The United States Government, which views this matter with the utmost seriousness, has selected eight specialists who will carry out "Operation Delta Storm" to rescue the doctor and Cecilia.

Avoid all obstacles and seek out the enemy's headquarters!!

You can choose your mission from three possible options.

Mountain route

Cross rugged mountain ranges to knock out enemy power station!

Jungle route

Through deep forest to retake a village from enemy forces!

Valley route

Follow the river to locate the enemy's secret weapon!

GO! Shoot out in "Team Battle" mode!

—The eight soldiers—

If you select "Team Battle" mode, you can change player with D button always.

push
D button.
